

Multi Dimensional Thinkers

ENTERPRISE DATA MANAGEMENT CAPABILITY

This is to Certify that

FirstName Surname
SAMPLE

FirstName has completed the Multi Dimensional Thinkers' Data Stewardship Test and has been found to have the following strengths.

DATA ANALYSIS capability: **Result: Outstanding**

The test measures the capability to accurately maintain a high analytical concentration using both paper and computer for 3 hours without breaks. These results are valid for 2 years as a persons thinking can change over time.

The above named person would excel due to an intrinsic affinity to the Data Management principles underpinning the following:

- 1 Data Quality**
- 2 Rationalising Terms and Definitions**
- 3 Data Security**

Test Written: 24/05/2016 02:27 PM

Certificate No: MDT_TEST_XXXXXX
