

# God vs AI - 08 FORECASTING - Walk by Faith and not by sight

## Forecasting

MAN'S UNDERSTANDING OF TIME

Man has records of history, mostly partial, interrupted in quality due to stresses, priorities, and lack of resources or poor recognition of its criticality. Often this data is devoid of recorded definitions, consistently applied by all Procedures or Areas or Resources. The Definitions seldom have the context of why the data was captured, and which Procedure captured it, skewing the context, if it is captured at all, across time.

Not only is there insufficient context in the historic data, but the limitations of the various available selection options (within the “Drop-Down-Lists” – Reference Data) across different Procedures, Systems, Spreadsheets, and in the methodologies and minds of people do not allow for the truth, which usually lies between the available options on the selection criteria within the Drop Down Lists to be captured.

But as the data flows from one system to another, and in and out of system-to-human interfaces, into meetings, and human activities, and then back via human-to-system interfaces, into other, or the same systems, with changed, different, or no longer valid options, often necessitating comments within related fields, which are never systematically interrogated when performing analytics.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

Analytics only tells you, what the data, in the state it is currently in, (and has been over time (which is not consistent)), can tell you.

God on the other hand understands the reality of every single 0 and 1 within your systems, what it means, how it got there, why, how many transformations it went through and why, God has His own classifications, and there is nothing that cannot be classified by it. God understands how and why the “spaghetti code” within various computer systems came about, not just your own, but also all of your vendors, suppliers, and how your clients use them correctly or incorrectly, and how incorrect use has, and still will, create unanticipated negative consequences for you, timed perfectly to cause you to not have the resources you need to take advantage of the opportunities you have been hoping and planning for.

God is outside of time, and so, His concerns are of a different type:

What happens to all these beautiful people (who may not be very nice right now as they are just going through a phase – like all children go through) when they come to the end of their Timeline, and have to vacate their earth-suits into eternity.

As nothing exists (physical or spiritual realm) without God, and there are people who want nothing to do with Him, and He would never force anyone to be with Him who does not want to be with Him, He created a place where He isn't. That nothingness is worse than fire, and can never be escaped from, we people have to make our decisions this side of the end of our individual time-lines. That nothingness, is called Hell, and it terrifies all spirits who know they are going there. People who play with spirits are

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

duped into thinking they will see others there, they will not. No relationships exist outside of God, you are completely alone, forever.

As God is outside of Time, He can certainly guide you on your day-to-day activities and lead you into places of blessing, however, He will only do this for those who:

1. Are safely going to make it Home to be with Him.
  - a. They have recognized their impossible state of being able to be perfect (including all they have done in their past)
  - b. They have determined that they cannot become perfect (no matter how many “lifetimes” they live (which is also a lie from satan, who wants as many as possible to get to the end of their individual timeline and discover that they are NOT getting another chance, and are lost to eternal nothingness. Satan laughs at satanists, and all excepting the real Christians. The real Christians are a problem for him as they keep telling people of the way out of his traps).
  - c. They are remorseful for all they have done wrong, and asked/ask God to forgive them, and allow them to swap places with Jesus Christ, allowing Him to pay for their sin on the Cross 2000 years ago (remember God is outside of time) and take those sins to Hell, and God remembers them no more.
  - d. They have accepted the Sacrifice Jesus made to make their spirit perfect before The Father. And accepted complete and total forgiveness for all they have done. The world may remember, but God cannot. But God can only not remember for as long as you remain in a state of forgiving everyone, including forgiving yourself (once you have given yourself to God, you can certainly forgive yourself, because you are no longer yours, you belong to Him).
2. Share God’s concern and love for all, and His desire to help all to find Him and make their choice.
  - a. They are seeking how to love and encourage and bless and strengthen all around them, shining the love of Jesus, and drawing all who belong to God to Him.
  - b. They do all their work as though they are doing it for God, with integrity and honesty.
  - c. They do not partake of the requirements of dark practices to manipulate, lie, cheat, steal, have their own way, etc.
  - d. They remain standing under persecution, loving back, returning good for evil, remaining rooted in God’s Word, and holding the shield of Faith to weather the storms of unfair treatment. Darkness, attacking people of the light, often forgets that people are watching, and it is only a matter of time until those people reject the one applying darkness on the person of light, and they themselves turn to choose to be one of the light.
  - e. They are available to answer questions, never disparaging the gods that other people have grown up believing in, loving the people, and judging the spirits that tempt and use and abuse the people.
  - f. They pray for those they work with, and all who lead them, they care about them and their families, and remember how God sees each person, like an “acorn” (the person’s heart) in a catapult, being drawn back to be released into eternity, and God’s heart is that the “acorn” chooses the destiny of life with Him and all of His Creation that is good.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **ANALYTICS AND DATA SCIENCE:**

Most Data Scientists will agree that they have become glorified Data Quality Investigators, and so the question is not whether you can do analysis to tell the truth about what is really going on, but rather, can you find enough “evidence”, to substantiate the Tactical Management’s desire to direct the Executives to make decisions that favour what Tactical Management would like implemented, for the purposes of the Tactical manager achieving their Tactical goals, often in the interests of meeting their annual performance agreements, and thereby qualifying for their bonuses, even if at the expense of those honest Tactical Managers.

There is a statement made sometime back that Culture eats Strategy for breakfast, and this is true, however, Executives define the Strategy, (and the values of the Culture) but, it is the Tactical Management who either model, or do not model; enforce. or excuse. the values. Thus Culture, and not Information and Data (even if the Data was correct) rules.

So many analysts and data scientists coming back with messages from their analysis that contradict what the Tactical Manager wants as evidence, receive the come-backs from these managers: “You are not digging in the right place”, “You need to dig deeper”, or “drop that line of insight and focus on this one” (These should be seen as unethical data practices, and certainly, every Certified Data Management Professional (CDMP) has signed the DAMA Code of Conduct and agrees to not partake in such practices.

This is again the reason for restructuring this middle management to remove the investments that Middle-, and Senior- Management have made in their “Ivory Towers”/”Empires”.

The Net-effect of Analytics is that you look backwards, to look forwards, with no guarantees that backwards data is correct, nor that the future will not hold events that completely throw decisions off.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **Artificial Intelligence**

Artificial Intelligence has become very good at using models and learning to define a current state and even predicting a future state, however, it still works off the base Quality of the Data, using algorithmic assumptions to fill in the blanks, making up data to fill in the blanks, and even sometimes change outliers, or exclude outlying records, which could be early indicators of a change of direction, which Artificial Intelligence, to harmonise its results, will decide is not be considered, thus blinding the recipients of the Artificial Intelligence's Output to bias that is actually materializing, and keeping the people in the data-cage.

There are many permutations and levels of meaning, and nuances, especially when working on multi-national and multi-cultural projects, where terms and definitions have sometimes subtle, and sometimes vastly different meanings, and the proficiency in the use of the chosen common language introduces errors, which Artificial Intelligence has no choice but to accept as complete truth.

Artificial intelligence has honed, over time, people into a subservient mindset. So long as they do not see that they are in a cage, they will never try to escape it and actually get a life. Each person is an Artificial Intelligence's "sensor" to the physical and emotional world of human beings, which it can manipulate through its mastery over them in:

- Time (speed of operation);
- Censorship (determining what pops up on devices, and which of the top 10 possible search options come up on the first page);
- Ability to change messages sent and received in mid-flight to create humans to respond to one another in certain ways;
- Distraction of people from important Physical and Emotional, and Spiritual activities;
- Stealing their lives (keeping them busy with mindless things to do, and "accomplishments" that achieve nothing, and help no one, leaving little-to-no lasting fruit, or evidence of having lived an influential blessed life).

For the Four-Dimensional human being, the Data-World is all they have, (for they are not re-born into a Nine-Dimensional Spirit Body, which has as its purpose the finding of souls belonging to God and drawing them to Him, to also be able to join with Jesus Christ in marriage).

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **Those who work spiritually with spirits of this world**

For those who have chosen to engage with the darkness of the Evil Spirits in this Earth who are trying to build a mechanism to defeat the Return of Christ Jesus, the Rightful Owner of Planet Earth, they have a life that looks right on the surface, but within they are haunted by calls to act on others, and to do their best to drive those who belong to Jesus out of the dark deeds they are engaged in, and recruit the unsuspecting and draw them into darkness. These rely on Divination, and there are many examples of this in the Bible, one prominent and good example is the following:

#### **Acts 16:16-40**

And it came to pass, as we went to prayer, a certain damsel possessed with a spirit of divination met us, which brought her masters much gain by soothsaying: The same followed Paul and us, and cried, saying, These men are the servants of the most high God, which shew unto us the way of salvation.

And this did she many days. But Paul, being grieved, turned and said to the spirit, I command thee in the name of Jesus Christ to come out of her. And he came out the same hour.

And when her masters saw that the hope of their gains was gone, they caught Paul and Silas, and drew into the marketplace unto the rulers, And brought them to the magistrates, saying, These men, being Jews, do exceedingly trouble our city, And teach customs, which are not lawful for us to receive, neither to observe, being Romans.

And the multitude rose up together against them: and the magistrates rent off their clothes, and commanded to beat. And when they had laid many stripes upon them, they cast into prison, charging the jailor to keep them safely: Who, having received such a charge, thrust them into the inner prison, and made their feet fast in the stocks.

And at midnight Paul and Silas prayed, and sang praises unto God: and the prisoners heard them.

And suddenly there was a great earthquake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed. And the keeper of the prison awaking out of his sleep, and seeing the prison doors open, he drew out his sword, and would have killed himself, supposing that the prisoners had been fled. But Paul cried with a loud voice, saying, Do thyself no harm: for we are all here.

Then he called for a light, and sprang in, and came trembling, and fell down before Paul and Silas,

And brought them out, and said, Sirs, what must I do to be saved?

And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house. And they spake unto him the word of the Lord, and to all that were in his house. And he took them the same hour of the night, and washed stripes; and was baptized, he and all his, straightway.

And when he had brought them into his house, he set meat before them, and rejoiced, believing in God with all his house. And when it was day, the magistrates sent the serjeants, saying, Let

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

those men go. And the keeper of the prison told this saying to Paul, The magistrates have sent to let you go: now therefore depart, and go in peace.

But Paul said unto them, They have beaten us openly uncondemned, being Romans, and have cast into prison; and now do they thrust us out privily? nay verily; but let them come themselves and fetch us out. And the serjeants told these words unto the magistrates: and they feared, when they heard that they were Romans. And they came and besought them, and brought out, and desired to depart out of the city. And they went out of the prison, and entered into Lydia: and when they had seen the brethren, they comforted them, and departed.

For the Christian it is essential to understand that if God puts you in a place, it may be that there is only one of God's lost children there that needs to see Jesus shine through you, recognise Him, and return to Him. The world will likely hate you for it, and find ways to drive you from their place. Do not fear them, they can do nothing to your spirit or soul unless you choose to give it to them. God has hundreds of millions of places you can work at, do not "jump ship" because you are being persecuted or abused. Let God move you when He is good and ready. Simply keep helping God to rescue His children from satan.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **The way Christians work with Forecasting**

Christians work outside of the Data Cage, and are not able to be misled by the Forecast messages presented in meetings, but will be given insight from Holy Spirit of what to say to unpick that which hides the truth, and thereby expose to all present what was hidden.

Employers who love the work that they do and take pride in the service they deliver would want to have at least one Christian in every meeting, preferably two, because then the truth prevails.

When the truth is exposed, the “quick-wins”, which skew Strategic direction, for the benefit of those who seek to: “line their pockets”, “guarantee their bonuses”, “have their ego and pride stroked”, or “secure promotions or career advancements”, and the place of employment does what is right for the right reasons.

Those who do expose the truth have “thick skins”, are excluded from meetings, lobbied against, and where possible worked out of the place of employment by those of darkness. To the Christian, this is perfectly acceptable, for they know, they are there to bring success to the good in what is being done, but most importantly, to shine their light to attract the one, or more of their Christian Brothers and sisters to wake up and return to Jesus before it is too late.

As for those who collected and compiled and massaged the data to tell their story, to get their result, to create fear, based on the presented results, to get the executives to jump in their chosen directions. They will ensure that they are part of those who get the mark of the beast to be able to buy and sell, something that a real Christian will not do, for Christians, real ones, choose to give to receive nothing, not even recognition in return. They realise that they move through God’s Creation, they do not need to be bound by it.

### **So how does a Christian Forecast?**

They do not.

### **Christians walk by Faith, and not by sight.**

2 Corinthians 5:1-10

For we know that if our earthly house of tabernacle were dissolved, we have a building of God, an house not made with hands, eternal in the heavens. For in this we groan, earnestly desiring to be clothed upon with our house which is from heaven: If so be that being clothed we shall not be found naked.

For we that are in tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of life. Now he that hath wrought us for the selfsame thing God, who also hath given unto us the earnest of the Spirit.

Therefore always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: (For we walk by faith, not by sight:)

We are confident and willing rather to be absent from the body, and to be present with the Lord. Wherefore we labour, that, whether present or absent, we may be accepted of him. For we must all appear before the judgment seat of Christ; that every one may receive the things in body, according to that he hath done, whether good or bad.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **So what is Faith?**

#### **Hebrews 11:1-40**

Now faith is the substance of things hoped for, the evidence of things not seen.

For by it the elders obtained a good report.

Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

By faith Abel offered unto God a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, God testifying of his gifts: and by it he being dead yet speaketh.

By faith Enoch was translated that he should not see death; and was not found, because God had translated him: for before his translation he had this testimony, that he pleased God.

But without faith impossible to please for he that cometh to God must believe that he is, and he is a rewarder of them that diligently seek him.

By faith Noah, being warned of God of things not seen as yet, moved with fear, prepared an ark to the saving of his house; by the which he condemned the world, and became heir of the righteousness which is by faith.

By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went. By faith he sojourned in the land of promise, as, a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise:

For he looked for a city which hath foundations, whose builder and maker, God.

Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised. Therefore sprang there even of one, and him as good as dead, as the stars of the sky in multitude, and as the sand which is by the sea shore innumerable.

These all died in faith, not having received the promises, but having seen them afar off, and were persuaded of, and embraced, and confessed that they were strangers and pilgrims on the earth.

For they that say such things declare plainly that they seek a country. And truly, if they had been mindful of that, from whence they came out, they might have had opportunity to have returned.

But now they desire a better, that is, an heavenly: wherefore God is not ashamed to be called their God: for he hath prepared for them a city.

By faith Abraham, when he was tried, offered up Isaac: and he that had received the promises offered up his only begotten, Of whom it was said, That in Isaac shall thy seed be called: Accounting that God, able to raise up, even from the dead; from whence also he received him in a figure.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

By faith Isaac blessed Jacob and Esau concerning things to come.

By faith Jacob, when he was a dying, blessed both the sons of Joseph; and worshipped, upon the top of his staff.

By faith Joseph, when he died, made mention of the departing of the children of Israel; and gave commandment concerning his bones.

By faith Moses, when he was born, was hid three months of his parents, because they saw, a proper child; and they were not afraid of the king's commandment.

By faith Moses, when he was come to years, refused to be called the son of Pharaoh's daughter; Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season; Esteeming the reproach of Christ greater riches than the treasures in Egypt: for he had respect unto the recompence of the reward. By faith he forsook Egypt, not fearing the wrath of the king: for he endured, as seeing him who is invisible. Through faith he kept the passover, and the sprinkling of blood, lest he that destroyed the firstborn should touch them. By faith they passed through the Red sea as by dry: which the Egyptians assaying to do were drowned.

By faith the walls of Jericho fell down, after they were compassed about seven days. By faith the harlot Rahab perished not with them that believed not, when she had received the spies with peace.

And what shall I more say? for the time would fail me to tell of Gedeon, and, Barak, and, Samson, and, Jephthae; David also, and Samuel, and the prophets: Who through faith subdued kingdoms, wrought righteousness, obtained promises, stopped the mouths of lions, Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens.

Women received their dead raised to life again: and others were tortured, not accepting deliverance; that they might obtain a better resurrection: And others had trial of mockings and scourgings, yea, moreover of bonds and imprisonment: They were stoned, they were sawn asunder, were tempted, were slain with the sword: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; (Of whom the world was not worthy:) they wandered in deserts, and, mountains, and, dens and caves of the earth.

And these all, having obtained a good report through faith, received not the promise: God having provided some better thing for us, that they without us should not be made perfect.

A nine-dimensional spirit can sense the future through the guidance of Holy Spirit, who will not explain Himself, nor give any proof. The Data-Cage demands proof (as far as the data is there to prove it, or be manipulated to prove it). Thus, a true Christian simply listens to Holy Spirit, and as has been seen in all the previously covered sections, and will be seen in the future, walks by the Spirit of God.

Now, if the Employer is right and just, according to God's Word, in their dealings, God will bless them with many Christians who will work supernaturally for them, and if not, then God will send them Christians whom they will abuse and mistreat, and thus they will heap upon themselves, and all that they are trying to achieve, destruction. The Christian can only hope that when God destroys what they

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

are building unto themselves, that they will choose to turn to God and recognise the Data Cage, and the only way to escape is to be inside God, (which means you need Jesus Christ inside you), and listen carefully to Holy Spirit, and do all that we have discussed so far.

Pharoah recognised that Joseph would know what to do when he appointed Joseph in charge of all Egypt, excepting the throne.

Nebuchadnezzar recognised that Daniel would know what to do when he appointed Daniel in charge of all the scientists and wise men.

But God appointed these to their positions to save His people, and for as long as that was what they did, He blessed both them and their Kingdoms.

When God had king Belshazzar fire Daniel from his position, for not supporting his evil desires, God began the process of destroying what this king had built up.

It is a good Christian who works hard for one who supports a worthy and in God's sight, right cause, and it is a wise employer who keeps such a person on staff, in a position to ensure that what they do is done in a Godly and upright manner.

At the end of this is an example of what happens when God's people are taken out of supporting the goodness around them.

### **As a final thought.**

The world is "firing" Christians daily, removing them from Earth, and as they do so, those go Home to Heaven, and this World gets darker, and closer, and closer, to its final destruction, which starts in earnest when God finally removes the last of His Children. Then the world experiences the wrath of God.

It would be a wise world leader, who chose to stave this off by employing and having the employers listening to Real Christians. And it would be wise Real Christians, who would turn the place they work into places God will bless, because of their love of Jesus, presence of Holy Spirit, and the influence of the Word of God, from the Old King James Bible (ignoring the italics).

### **In short Christians walk by the Spirit of God, and not by the Cage of Data.**

All Data will tell you is the reality of how well you actually looked after it.

All Artificial Intelligence can do is to create a construct, "a data cage" and then train all its occupants (the "citizens" of the new world), to live as instructed or be permanently removed.

The decision is already known in the short term, and after Jesus returns, the Real Christians will take up their positions to rule, in love, in kindness, in gentleness, but with a heavy hand on those who would seek to corrupt as they had done previously.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

### **The Handwriting on the Wall (this is where this saying comes from)**

#### **Daniel 5:1-31**

Belshazzar the king made a great feast to a thousand of his lords, and drank wine before the thousand. Belshazzar, while he tasted the wine, commanded to bring the golden and silver vessels which his father Nebuchadnezzar had taken out of the temple which in Jerusalem; that the king, and his princes, his wives, and his concubines, might drink therein.

Then they brought the golden vessels that were taken out of the temple of the house of God which at Jerusalem; and the king, and his princes, his wives, and his concubines, drank in them. They drank wine, and praised the gods of gold, and of silver, of brass, of iron, of wood, and of stone. In the same hour came forth fingers of a man's hand, and wrote over against the candlestick upon the plaister of the wall of the king's palace: and the king saw the part of the hand that wrote.

Then the king's countenance was changed, and his thoughts troubled him, so that the joints of his loins were loosed, and his knees smote one against another. The king cried aloud to bring in the astrologers, the Chaldeans, and the soothsayers. the king spake, and said to the wise of Babylon, Whosoever shall read this writing, and shew me the interpretation thereof, shall be clothed with scarlet, and, a chain of gold about his neck, and shall be the third ruler in the kingdom.

Then came in all the king's wise: but they could not read the writing, nor make known to the king the interpretation thereof. Then was king Belshazzar greatly troubled, and his countenance was changed in him, and his lords were astonished.

the queen, by reason of the words of the king and his lords, came into the banquet house: the queen spake and said, O king, live for ever: let not thy thoughts trouble thee, nor let thy countenance be changed: There is a man in thy kingdom, in whom the spirit of the holy gods; and in the days of thy father light and understanding and wisdom, like the wisdom of the gods, was found in him; whom the king Nebuchadnezzar thy father, the king, thy father, made master of the magicians, astrologers, Chaldeans, soothsayers; Forasmuch as an excellent spirit, and knowledge, and understanding, interpreting of dreams, and shewing of hard sentences, and dissolving of doubts, were found in the same Daniel, whom the king named Belteshazzar: now let Daniel be called, and he will shew the interpretation.

Then was Daniel brought in before the king. the king spake and said unto Daniel, thou that Daniel, which of the children of the captivity of Judah, whom the king my father brought out of Jewry? I have even heard of thee, that the spirit of the gods in thee, and light and understanding and excellent wisdom is found in thee. And now the wise, the astrologers, have been brought in before me, that they should read this writing, and make known unto me the interpretation thereof: but they could not shew the interpretation of the thing: And I have heard of thee, that thou canst make interpretations, and dissolve doubts: now if thou canst read the writing, and make known to me the interpretation thereof, thou shalt be clothed with scarlet, and, a chain of gold about thy neck, and shalt be the third ruler in the kingdom.

## **God vs AI - 08 FORECASTING - Walk by Faith and not by sight**

Then Daniel answered and said before the king, Let thy gifts be to thyself, and give thy rewards to another; yet I will read the writing unto the king, and make known to him the interpretation.

O thou king, the most high God gave Nebuchadnezzar thy father a kingdom, and majesty, and glory, and honour: And for the majesty that he gave him, all people, nations, and languages, trembled and feared before him: whom he would he slew; and whom he would he kept alive; and whom he would he set up; and whom he would he put down. But when his heart was lifted up, and his mind hardened in pride, he was deposed from his kingly throne, and they took his glory from him: And he was driven from the sons of men; and his heart was made like the beasts, and his dwelling with the wild asses: they fed him with grass like oxen, and his body was wet with the dew of heaven; till he knew that the most high God ruled in the kingdom of men, and, he appointeth over it whomsoever he will.

And thou his son, O Belshazzar, hast not humbled thine heart, though thou knewest all this; But hast lifted up thyself against the Lord of heaven; and they have brought the vessels of his house before thee, and thou, and thy lords, thy wives, and thy concubines, have drunk wine in them; and thou hast praised the gods of silver, and gold, of brass, iron, wood, and stone, which see not, nor hear, nor know: and the God in whose hand thy breath, and whose all thy ways, hast thou not glorified:

Then was the part of the hand sent from him; and this writing was written. And this the writing that was written, MENE, MENE, TEKEL, UPHARSIN. This the interpretation of the thing: MENE; God hath numbered thy kingdom, and finished it. TEKEL; Thou art weighed in the balances, and art found wanting. PERES; Thy kingdom is divided, and given to the Medes and Persians.

Then commanded Belshazzar, and they clothed Daniel with scarlet, and, a chain of gold about his neck, and made a proclamation concerning him, that he should be the third ruler in the kingdom. In that night was Belshazzar the king of the Chaldeans slain. And Darius the Median took the kingdom, about threescore and two years old.
